Dear Sir:

Pursuant to 37 C.F.R. §§1.97 and 1.98, applicants respectfully request that the documents listed below and on the accompanying PTO 1449 be considered by the Examiner and made of record in the above-referenced application. Full text copies of non-patent publications, foreign Patent documents and foreign published Patent Applications listed herein are enclosed in the accompanying volume of references. Applicant has enclosed a copy of and provided references cited in the International Search Report of related International Patent Application No. PCT/US00/02980 filed February 4, 2000 and published under Publication No. WO/0045834. Applicant has not enclosed copies of issued U.S. Patents or published U.S. Patent Applications

as their submission is not required under 37 C.F.R. § 1.98(a)(2)(ii). Applicant will provide copies of any issued U.S. Patent or published U.S. Patent Application disclosed in this Information Disclosure Statement should the Examiner so require.

The citations listed below are also listed in the accompanying PTO Form 1449.

Identification of the listed documents is not to be construed as an admission of the Applicant or attorneys for Applicant that such citations are available as "prior art" against the subject application. If the Examiner applies the documents as prior art against any claim in the application and applicants determine that the cited documents do not constitute "prior art" under

United States law, applicants reserve the right to present to the Office the relevant facts and law regarding the appropriate status of the documents.

Applicant further reserves the right to take appropriate action to establish the patentability of the disclosed invention over the listed documents, should the documents be applied against the claims of the present application.

Applicant believes there is no fee required for this timely submission. However, if any fee is required, or if any overpayment has been made, the Commissioner is hereby authorized to charge any fees, or credit or any overpayments made, to Deposit Account 02-4377. A duplicate copy of this paper is enclosed.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Lisa B. Kole', written over a horizontal line.
